# CELEBRATING BOOK LOVERS' DAY

“BOOKS AND DOORS ARE THE SAME THING.  
YOU OPEN THEM, AND YOU GO THROUGH INTO ANOTHER WORLD.”

Book lovers' day was celebrated with great pomp and splendour in Classes Nursery to KG-II, on August 9, 2024 at Sagar Public Schools.

The event was aimed to instill the practice of reading among students and introduce them to the wonderful and enlightening world of books. During this special day, the tiny tots unleashed the magic of books by immersing themselves in the world of stories and imagination.

Library is where the books breathe, curious minds thrive and intellectual minds discover. If the books start gathering dust, society is bound to crumble. If books change hands frequently, and are read and re read, society grows, civilizations develop.

## STORY POPSICLE

“ONCE CHILDREN LEARN TO READ,  
THEY ARE SET FREE FOREVER”

The junior most library users pick books with colourful illustration. They pick their favourite story and create story popsicles, depicting characters, settings etc. The students in every group matched the story names with character pictures. This activity helped students to learn, spell, and recognize the characters. The popsicle of narration were read and arranged into coherent sequences. It helped familiarise the names and their relationships in the story.

# STORY WALK

“READING IS TO THE MIND WHAT  
EXERCISE IS TO THE BODY”

Children fascinated by the ambience of the library and the school campus took an exploratory walk, around the tables and shelves and the play areas conjuring images of what world would shine through those books.

They moved and the movement spurred their mind as they read one story at a time, displayed through charts all over the place. The fun filled, innovative activity is called Story walk. The students read the illustrated stories displayed at different places and understood the importance of reading.

This activity not only sparked creativity but also fostered confidence and joy among the students.

“THE PYRAMID SHAPE IS SAID TO HOLD MANY SECRETS AND AMAZING PROPERTIES. ONE OF THEM IS A SENSE OF WONDER”

A Story Pyramid is a fun activity where students break a story into different parts, from the beginning to the end and arrange the parts in the shape of a pyramid.
